Build up your Home Theater*

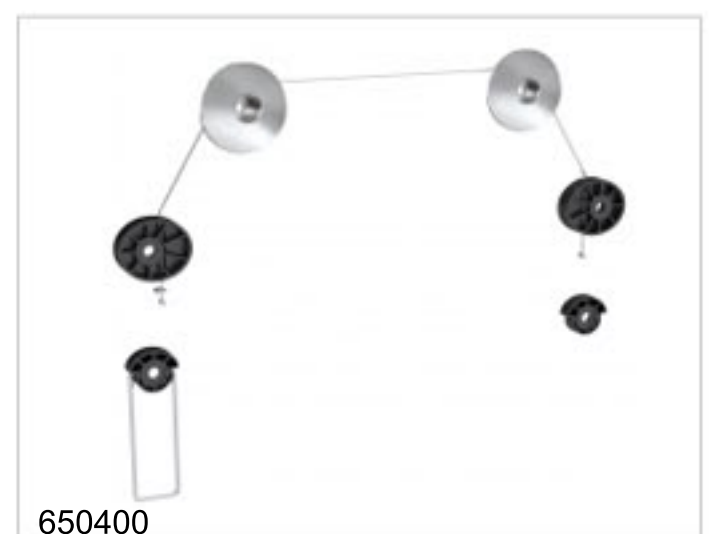

650400 Universal Flat Panel Bracket

650501 Splendid DVD Holder

equip® presents a comprehensive yet economic solution for you to setup your home theater. The equip® Universal Flat Panel Bracket offers an ultra-slim form and is compatible with flat screens up to 178cm / 70". It can be installed to solid brick, concrete block, and wooden stud walls.

The Splendid DVD Bracket is constructed of tempered glass and a durable aluminum holder, to hold AV components such as DVD player and set-top boxes. Its elegant design fits into your living room perfectly.

These wall mount brackets come with screw packs and graphical installation guide, making it easy to establish your personal cinema.
